***Snails Are Just My Speed*** is Kevin McCloskey's newest title in his hit Giggle and Learn series from TOON Books. The four-book series began with ***We Dig Worms*** in 2015. McCloskey again delivers what *The New York Times* calls, "a winning combination of facts and gross-out fun."

*Publisher's Weekly* notes, "McCloskey's series continues to deliver an offbeat blend of science, humor, and a dynamic interplay between words and pictures." *Kirkus Reviews* calls it "a fun read and a smart selection for any elementary nature shelf."

McCloskey's original acrylic paint illustrations will be on display at Artist Alley: Booth 959. A limited number of signed complimentary copies of ***Snails Are Just My Speed*** will available at Publisher's Spotlight: Booth 3350, Sunday, June 24 at 11am
